

## New Playground at Errington

### September 2016

Dear Errington Families,

Over the last 4 years, our PAC and our school have been planning the installation of a new playground for our school and community. Playgrounds are expensive (approximately \$100,000). I am pleased to announce that through fundraising and donations, we are  $\frac{3}{4}$  of the way to our goal! The target time for installation is September 2016 and we are looking for your financial support in raising the remaining \$25,000 through donations.

During the next eight weeks, we will gladly accept any donations that you would like to make. As we are a non-profit organization, tax receipts will be issued (if requested) for any donation of \$20.00 or more. Donations from businesses or larger corporations are also welcomed. All donors will receive a personal thank you letter from the school and will be listed (with permission and without your donation amount) on our school website and in our school newsletter.

On behalf of the students at Errington, our hard working PAC and the wider school community, thank you in advance for helping us to make this dream a reality. I know our children we be playing on a new playground very soon.

Respectfully,

Mike Murray  
Principal

## New Playground at Errington – Donation Request Sheet

Thank you for helping to support our school and wider community by making a donation to help reach **our fundraising goal of \$25,000** to help purchase a new playground to be installed in September of 2016. Please make a donation that is right for **you**. All donations, regardless of amount, are greatly appreciated and bring us a little closer to our goal. Please make cheques payable to: **Richmond School District** and on the memo line, write **Errington Playground**

---
