WAAG for Errington Families

February 3rd – 4th, 2025

Weather Related School Closures:

As we head into February, our School District is preparing for the possibility of heavy snow coming our way as early as Monday. As per our School Districts guidelines for “Weather Related School Closures”, notices of school closure will be posted on the School District’s SD38.bc.ca web-site and on social media by 6:30 am. We will email all families directly as soon as possible. We will also post this info on our Errington school website.

Young Actors Project A Hit at Errington

Thanks to Ms. Hamilton for organizing these fun theatrical / dramatic arts workshops for our primary classes, which run from today through February. Looking forward to some great performances next week!

Connects Day 1 Coming This Tuesday:

We are looking forward to the first Connects day for our Intermediate students. If there is a school closure on Monday, we would still go ahead with plans for the Connects activities. If school were closed on Tuesday, then we would cancel our plans for these activities - and do our best to reschedule if possible. *A reminder that students who are registered for skiing / snowboarding are to arrive at Errington by 7:45 am on Tuesday.*
